Not into brick and tile? Then look here at this charming cottage located in an elevated position and with all the character and features of an earlier time.

Set on a large (887m²) block with R3 Medium Density Zoning, this property is delightful "as is" but with so much potential for further re-development in the future. Property features include:

- ? Decorative Fretwork verandahs with access through living rooms and main bedroom
- ? Beautiful ornate ceilings with the plaster work rarely seen in a modern home
- ? Spacious kitchen overlooking dining and casual living areas
- ? Large rear deck - ideal for summer entertaining and with easy access to large rear garden.

Price : \$ 600,000
