Here's a solid opportunity to secure a freestanding three-bedroom unit in a handy location. It's a good fit for first home buyers, downsizers, or investors looking for something easy to maintain.

The living area is bright and comfortable, and the kitchen is simple but practical with plenty of cupboard space.

All three bedrooms have built-in robes and are a decent size. The bathroom includes both a bath and shower, plus there's a full laundry with direct access to the backyard.

Set in a quiet complex with shared grounds, the property also comes with a covered carport. Shops, schools, and parks are all close by, so day-to-day living is nice and easy.
